Transfer of Ownership - Registrations & Paperwork

Your FOXHUNT puppy is purebred, and 4 generation pedigree is correct. We (the breeder/seller) will provide you (the buyer) with your new FOXHUNT puppy's AKC registration application (puppy papers), and UKC registration. All paperwork to include, but not limited to registration papers for your new FOXHUNT puppy shall remain with us (The breeder/seller) until your new FOXHUNT puppy is PAID IN FULL.

We are proud of all our FOXHUNT puppies and therefore we REQUIRE the use of "FOXHUNT" or FOXHUNT'S" as the PREFIX of your FOXHUNT puppy's name. We hope you will be proud your puppy bears the "FOXHUNT" name. " Where the quality goes in before the lines go on! "

All FOXHUNT puppies are sold with limited registration. Therefore ANY puppies produced by your FOXHUNT puppy are NOT eligible for registration. If you do allow your "PET QUALITY" FOXHUNT puppy to be bred all guarantees will become NULLIFIED and VOID.

If your FOXHUNT puppy is sold as Breeding/Show Quality, FULL REGISTRATION shall be granted once Hip/Elbow OFA/Penn Hip are complete and we (the Breeder/Seller) have obtained a copy of the certification from you (the Buyer). NO OFA results will be accepted before the age of 2 years.

However, we will accept Penn Hip results at 1 year. NO FOXHUNT puppy shall be bred BEFORE age 2 years or this guarantee is NULLIFIED and VOID.

BREED SEPARATION - If you intend to breed your FOXHUNT Breed/Show quality puppy you must do so in a manner that is consistent with the White Shepherd Breed Standard. We (the breeder/seller) do NOT sell our FOXHUNT White Shepherd puppies to be bred as German Shepherd Dogs. All FOXHUNT puppies are sold with UKC White Shepherd registration, that registration CANNOT be changed to the German Shepherd Dog breed. In addition, it is not permissible to breed your (the buyer) FOXHUNT puppy or dog purchased from us (the breeder/seller) to any UKC German Shepherd Dog. It is allowable to breed to any AKC German Shepherd Dog that is white in color, as long as the White Shepherd Standard is followed, however that same dog cannot be UKC registered as a German Shepherd Dog. An ideal breeding would be to an AKC white coated German Shepherd Dog who also has UKC White Shepherd registration and upon breeding, a litter registration filed with both UKC & AKC clubs. Our (the Breeder/Seller) AKC registrations are kept strictly to allow our (the Breeder/Seller) dogs & their prodigy to compete in AKC performance and other AKC dog sports. Once AKC allows the White Shepherd to be registered as a separate breed from the German Shepherd Dog, all of our (the Breeder/Seller) dogs AKC German Shepherd Dog registrations will be forfeited in lieu of the new AKC registrations as a separate breed.

Your new FOXHUNT puppy has been microchipped with "Microchip ID", you (the Buyer) AGREE that we (the Breeder/Seller) shall remain on the microchip & web page as an ALTERNATE contact. This is for the protection of your FOXHUNT puppy. Should he/she get lost or stolen and you can't be contacted, we may help rescue your FOXHUNT puppy and return him/her to you safely. You (the Buyer) shall of course be the MAIN contact. We (the Breeder/Seller) shall provide to you (the Buyer) your FOXHUNT puppy's microchip information & microchip #, there is a \$20.00 one time fee added to the price of your puppy to register your FOXHUNT puppy's micro-chip into your name, we (the Breeder/Seller) will register your puppy's microchip.

PUPPY GUARANTEE

We the breeder of your new FOXHUNT puppy, have carefully planned this litter of puppies, taking great concern in the genetics of the the parents. However even with the most careful planning there is no 100% guarantee. Underlying genetic conditions may occur even out of healthy parents. Your new FOXHUNT puppy is guaranteed against genetic defects for a period of 3 years from date of birth. This includes but is not limited to HEART DEFECTS, DEAFNESS, BLINDNESS, MEGA-ESOPHAGUS, HEMOPHILIA, RETAINED TESTICLES (if puppy is sold as breed quality), GENERALIZED DEMODETIC MANGE AND SKIN ALLERGIES.

We (the Breeder/Seller) shall provide you (the Buyer) with a veterinarian certificate of health and all health records pertaining to your new FOXHUNT puppy along with a vaccination schedule. Any illness is to be confirmed by your veterinarian within 3 days from the date of delivery. After which the health of your FOXHUNT puppy becomes your responsibility. We (the Breeder/Seller) strongly suggest you (the Buyer) make an appointment with your

veterinarian PRYOR to your FOXHUNT puppy's arrival to his/her new home, to be examined within the 3 day health guarantee time limit. This is also the beginning of your FOXHUNT puppy's relationship with his/her new veterinarian and a chance for you to ask your veterinarian about any questions or concerns you may have.

Your FOXHUNT puppy is guaranteed against CRIPPLING HIP/ELBOW DISPLASIA for 30 months from date of birth. If your FOXHUNT puppy was sold as Breed/Show Quality (FULL REGISTRATION) he/she is guaranteed to PASS OFA/PENN HIP HIP/ELBOW CERTIFICATION. Hip and elbow X-rays MUST be taken and submitted to OFA/PENN HIP BEFORE your FOXHUNT puppy reaches the age of 2 1/2 years.

Your FOXHUNT puppy cannot be bred before the age of 2 years and until proof of Hip/elbow certification has been received by us (the Breeder/Seller) at which time we (the Breeder/Seller) will sign and provide to you (the Buyer) a transfer slip to release your FOXHUNT puppy from Limited Registration to Full Registration. If you choose to breed your FOXHUNT puppy BEFORE age 2 years and before we (the Breeder/Seller) have obtained from you (the Buyer) a copy of your FOXHUNT puppy's OFA/Penn Hip Certifications for Hips and Elbows, your puppies WILL NOT be Registrable and ALL guarantees will be NULLIFIED and VOID.

These guarantees apply to the ORIGINAL PURCHASER ONLY and are NOT transferable. In the event you (the Buyer) wish to RETURN or COLLECT on this guarantee, we (the Breeder/Seller) reserve the right to a SECOND VETERINARIAN OPPINION before we honor this guarantee and ALL veterinarian records MUST be supplied to us (the Breeder/Seller) upon request. Once you (the Buyer) has provided us (the Breeder/Seller) all of the above proof of your FOXHUNT puppy's failure to fulfill these guarantees, we (the Breeder/Seller) agree to replace your FOXHUNT puppy with another FOXHUNT puppy of SIMILAR VALUE.

We (the Breeder/Seller) do understand that you (the Buyer) may already be attached to your original FOXHUNT puppy, therefore in which case you may keep your original FOXHUNT puppy, but you MUST spay/neuter him/her and provide WRITTEN documentation from your veterinarian to us (the Breeder/Seller) that your original FOXHUNT puppy has indeed been spayed/neutered, BEFORE you receive your replacement FOXHUNT puppy. ALL veterinarian expenses pertaining to your original FOXHUNT puppy's genetic defect WILL be your (the Buyer) responsibility, as we (the breeder/Seller) have all ready upheld this guarantee by replacing your original FOXHUNT puppy for a new FOXHUNT puppy. We (the Breeder/Seller) are an in home hobby breeder, we are not a large kennel and may not always have a replacement FOXHUNT puppy right away, but a replacement FOXHUNT puppy WILL be reserved for you from the next AVAILABLE litter.

ALL costs associated and incurred with returning your original FOXHUNT puppy for replacement and/or having your replacement FOXHUNT puppy shipped (if necessary) to you (the Buyer), WILL be paid for by YOU (the Buyer).

If your FOXHUNT puppy should pass away and cause of death is unknown or questionable, an autopsy MUST be performed at the expense of you (the Buyer), a copy of the autopsy report MUST be provided by you (the Buyer) to us (the Breeder/Seller). If said FOXHUNT puppy's autopsy report reflects that said FOXHUNT puppy died of a genetic defect inside of the 3 year guarantee, we (the Breeder/Seller) WILL replace said FOXHUNT puppy with a new FOXHUNT puppy of SIMILAR VALUE. ALL costs associated and incurred with shipping (if necessary) of your replacement FOXHUNT puppy WILL be paid by YOU (the Buyer).

Though we do not require your FOXHUNT puppy to live in your home, we can tell you that you will never enjoy a full companion relationship with your FOXHUNT puppy unless he/she is allowed to be inside your

home with the family he/she will so desperately love. White Shepherds are extremely intelligent dogs, very loving and loyal. They want nothing more than to be with their family, at their side as much as possible.

We (the Breeder/ Seller) cannot stress enough the importance of obedience classes for a White Shepherd puppy. This also provides a very special bonding time for you (the Buyer) and your new FOXHUNT puppy. A well behaved, well mannered puppy does not just happen. He/she depends on YOU (the Buyer) to teach them what is and what is not acceptable behavior.

9. If for ANY reason you (the Buyer) finds you can no longer keep your FOXHUNT puppy, you (the Buyer) MUST notify us (the Breeder/Seller) immediately. We (the Breeder/Seller) will work together with you (the Buyer) to find an ACCEPTABLE new home for your FOXHUNT puppy. If an ACCEPTABLE new home cannot be found, we (the Breeder/Seller) will take responsibility of your FOXHUNT puppy until such time an ACCEPTABLE new home can be found. If you (the Buyer) fail to do so , I shall have the LEGAL RIGHT to repossess your (the Buyer) FOXHUNT puppy and get SIGNED registration transfers from you WITHOUT refunding ANY money. With the HEALTH and WELFARE of our (the Breeder/Seller) FOXHUNT puppy FIRST and FOREMOST, NEGLECT/ABUSE to our (the Breeder/Seller) FOXHUNT puppy will result in IMMEDIATE repossession of our (the Breeder/Seller) FOXHUNT puppy with the aid of the proper authorities. In addition, you (the Buyer) shall be responsible for ANY/ALL expenses incurred in the process of repossession, including but not limited to ALL legal fees and veterinary care to restore the health of our (the Breeder/Seller) FOXHUNT puppy, if necessary.
